This Czech-style pilsner is straw in color, light in body, and finishes with a round mouthfeel. This beer is distinguished from the German-style pilsner due to a softer water profile and the exclusive use of Czech Saaz hops. The light and toasty malt is complemented by a floral and spicy hop character throughout, making for a balanced and refreshing beer. This West Coast style American IPA is highly balanced and appeals to a wide variety of drinkers. We use classic Pacific NW hops in the boil and copious amounts of Citra, Azacca, and Simcoe for late hopping. These varieties drive wonderfully hoppy notes of grapefruit, mango, pineapple, tangerine, stone fruit and pine into the flavor and aroma. The hop flavor matches a biscuity malt balance and a smooth body. 2X Bronze Medal winner in the Maryland Craft Beer Competition.
